

Alternate Routes For American Fork 500 East Business Area

The ramps at the American Fork 500 East interchange will be impacted by the paving of new freeway lanes on I-15. The southbound on- and off-ramps at 500 East are scheduled to be closed starting October 10, with the northbound ramps closing on approximately October 20th. Both closures will last approximately 20 days. During the closures, motorists can use the following alternate routes to access the businesses in the area.

TO ACCESS BUSINESSES COMING FROM THE NORTH:

Drivers can use the Main Street interchange in American Fork (Exit 278) and travel east along Main Street to State Street to 500 East.

TO ACCESS BUSINESSES COMING FROM THE SOUTH:

Drivers can use the Pleasant Grove interchange (Exit 276). To access businesses on the south side of I-15, motorists can use Pleasant Grove Blvd. to 2800 West to 1300 South. From 1300 South drivers can access Bromley Drive and 630 East/Auto Mall Dr. To access the business areas on the north side of I-15, motorists can use Pleasant Grove Blvd. to Grove Parkway to 860 East which will connect to Utah Valley Dr. Signs will be posted to guide drivers.

The paving schedule is subject to change, so get the latest information by signing up for weekly updates at udot.utah.gov/i15core.
